A key component within TIDE, our *Real Talk* sessions provide an interactive forum for Aloricans to come together and discuss social issues that matter most to them and their communities. We began hosting the *Real Talk* series in 2020, and have covered topics including **diversity and inclusion, equity vs. equality, gender bias, sexual orientation discrimination** and **dismantling stereotypes**.

WOMEN'S INITIATIVE

Our quarterly Speaker Series showcases leaders from inside Alorica and beyond, covering topics such as ***A Journey in Leadership, Building Your Personal Brand, and Leading with Authenticity and Leaning into Vulnerability***. Other recent events have included:

- **Simple Wisdom for Complex Lives** – Dr. Kristen Ray, Bayless Healthcare
- **It's Time to Take a Stand!** – Panelists from across Alorica
- **Seven Steps to a More Impactful You!** – Lauren Chesley Clark, Founder of Purpose, LLC
- **Finding Your Voice** – Rochelle Karr, Director of Corporate Social Responsibility and Alumni Relations at O'Melveny Law

It's an honor to have esteemed client leadership occasionally host these global events, which draw more than 500 Aloricans each time. To date, we've welcomed **Kelly Truax, Senior VP of CSG Support Services at Dell Technologies** and **Callie Field, EVP of Customer Care at T-Mobile** to our virtual stage—with many more in the pipeline!
